

Welcome to

40 Scollard Street #508

Presented by Will Wilkinson

There are only a few neighborhoods in Toronto that are known internationally & visited for their amenities by locals - This condo is located in the best one! YORKVILLE! The space offers a blank canvas to a savvy buyer who wants to customise the finishes to their taste. Just across the street inspiration can be found at the Four Seasons - Fun, food, & fashion are all within walking distance but if you need to go a bit further just hop on the subway at Yonge & Bloor located just down the street!
